

# Worried?

What worries you most about your school?

- Teachers who are unmotivated, angry, hostile... boring?
- Teachers who have lost their passion for teaching?
- Teachers who are bitter and unhappy at their job?
- Teachers who can't remember why they teach?
- Teachers who are constantly finding fault?

Workshops that Work™ will help you wipe out your worries and create a school where teachers and students want to be...

*just think of the possibilities!!!*

**No...** it's not! It's not the same old should'a... could'a... ought'a stuff that you've heard before. Each session is stuffed, stacked and double-packed with information and ideas to rekindle each teacher's excitement and enthusiasm for teaching and learning. It's guaranteed!!!
